

Vision

To be a school where pupils thrive and flourish as they experience the excitement and enjoyment of learning; guiding pupils towards reaching their full potential as passionate and innovative problem solvers, ready to contribute to society.

Mission

To be an outstanding, all-round academic, active and creative school where we challenge, inspire and support each other as we build our best futures.

At Sherfield, you can be:

- **Strong, ambitious and brave** – exploring outside of your comfort zone, failing without fear, knowing there's a whole community behind you.
- **Enterprising, inventive, playful and fun** – being thoughtful, inquisitive and supportive of each other inside and outside the classroom.
- **Healthy, confident and eager to succeed** – learning without limits, wondering without walls and being part of something bigger.

You can be anything, because at Sherfield, it's your future to own.

Core Values

Our mission is expressed through core values that form the guiding principles of everything we do at Sherfield.

Confidence

Our pupils are ready for the challenges and opportunities life presents them after Sherfield. They grow strong, self-assured and motivated by each Sherfield experience and opportunity. Through academic excellence and a supportive environment, they become resilient and creative problem-solvers who believe they can and will achieve what they set out to do.

Creativity

Together, our Sherfield community builds a powerful culture of creativity that is without boundaries. We are critical thinkers who challenge ideas, pave new paths and encourage inventiveness whenever possible.

Connection

As a close-knit community, we know and care for each other. We foster an environment where children, parents and staff work and grow together while building strong and ambitious futures.

School Progress Plan: 2023-24 Priorities

During the last twelve months, we have been working on three key priorities at Sherfield School:

Securing Exceptional Outcomes

Aspiring to and achieving exceptional outcomes in all areas.

Through independent thinking, reflective thought and dialogue, pupils recognise their own achievements and ambitions.

Empowering staff through coaching and development, to deliver the very highest quality of experience for the pupils.

Building Ambitious Future

Through a collective belief, the school community strives for excellence, taking ownership of their futures. Developing strong student and staff leadership, with a focus on building 'readiness' for the next steps.

Challenging our students to be the best they can possibly be, as confident, resilient and emotionally agile learners.

Positive and Inspiring Learning Experiences

Delivering high quality opportunities through stimulating, diverse and exciting curricular and co-curricular experiences.

Embracing creative approaches to learning.

We now look forward to the next stage in our development and will be focusing on three key areas which are aligned with our mission and will support us in bringing our vision to life. The three key areas are:

Priorities
